for a Captain Supertooth Virtual Visit!

Delta Dental of Oklahoma Foundation's own defender of oral health is now making virtual visits! Captain Supertooth brings fun and energy into your classroom while teaching your students

FIVE ORAL HEALTH LESSONS:

How to brush and floss properly

To brush twice a day for two minutes

To floss once a day

How healthy foods and drinks help avoid cavities

What happens when you visit the dentist

There are three ways you can take advantage of this **FREE** program for your students:

1. Conduct the visit with the Captain over Zoom on a large screen in your classroom
2. Conduct the visit with the Captain and the children all on Zoom
3. Assign or recommend a visit with the Captain as part of home learning

For details, visit [CaptainSupertooth.com](https://www.CaptainSupertooth.com). Appointments are limited, so do not delay!
