Breaking through Barriers to Oral Wellness

When compared to the nation's performance on 13 key oral health indicators, Oklahoma scores a D.

Why? What are the barriers to oral wellness in Oklahoma and how can we overcome them?

These questions and more will be explored at the **2020 Oklahoma Oral Health Awareness Forum**. This statewide event brings together dental, medical and public health professionals, oral health safety net organizations, policymakers, funders and other individuals who are invested in the health of Oklahomans.

The Forum will feature:

- A presentation of the **Oklahoma Oral Health Report Card** with expert explanations of each key indicator
- Recognition of the essential role of the **oral health safety net** and the organizations comprising it
- Interactive, facilitated **discussion groups** examining the challenges faced by various populations
- **Exhibitors** representing oral health safety net organizations and programs
- Time for **networking** with and learning from others

Forum Schedule

8:00am-9:00am	Exhibitor set up
9:00am-9:30am	Registration; Reception in exhibit hall
9:30am-11:00am	Morning Session: Oklahoma Oral Health Report Card
11:30am-12:45pm	Lunch Session: Oklahoma Oral Health Safety Net
1:15pm-2:00pm	Afternoon Session: Discussion Groups
2:15pm-3:00pm	Closing Session
3:00pm-4:00pm	Networking; Exhibitor take down; Museum tour option

In between sessions, networking breaks are held in the exhibit hall. After closing session, attendees receive a pass to tour the Oklahoma History Center museum free of charge until it closes at 5pm.
